State of South Dakota

Office Of The Governor

WHEREAS, Drought conditions encountered during 1985 have created a lack of adequate forage for range animals throughout western and central South Dakota; and,

WHEREAS, The severe winter storms of October, November and December, 1985, placed livestock throughout South Dakota under extreme stress conditions; and,

WHEREAS, The extreme blizzard conditions of April 14 and 15, 1986, caused numerous deaths to cattle, sheep and their offspring; and,

WHEREAS, The considerable amount of standing waters from rapid snowmelt run-off precludes the immediate reutilization of affected agricultural lands; and,

WHEREAS, These conditions and the general state of the agricultural economy have resulted in an economic disaster for the agribusiness industry of South Dakota:

NOW, THEREFORE, Pursuant to the authority vested in me by SDCL 33-15, an agricultural disaster is hereby declared to exist for all counties within the State of South Dakota.

IT IS FURTHER DECLARED that the above-stated counties will be requested for designation as a major disaster area under the authority of the Secretary of the United States Department of Agriculture and such resources as authorized under federal law be sought to provide assistance to the citizens of South Dakota.
